WORK EXPERIENCE

HOURLY NATIONAL LEVEL HACKATHON at SRKR Engineering College, Bheemavaram.

TECHNICAL HUB | TRAINEE

SURAMPALEM | 2022 - 2024

During my tenure as a trainee with Technical Hub at Aditya Engineering College, Surampalem, I underwent comprehensive training and development in learning fundamental programming concepts and languages essential for software development to gain practical experience in coding and problem-solving.

NYROS TECHNOLOGIES | SOFTWARE DESIGN INTERNSHIP

SKS Township, KAKINADA | Jun - Jul 2024

Currently, I am gaining valuable experience at Nyros Technologies-BRS Studio, where I am actively involved in software development tasks. My responsibilities include collaborating closely with a skilled team to meet project milestones. This role has provided me with practical insights into coding, enhancing my proficiency in the field of software engineering.

CERTIFICATIONS

- REDHAT LINUX SYSTEM ADMINISTRATION by REDHAT
- Google AI for Anyone by GOOGLE
- Introduction to Data Science with Python by HARVARDX
- SQL BASIC by HACKER RANK
